HEATER is a cluster of projects with synergies across

Housing
Executive

Project value is €153k across four partners

Collaborate and Cluster the transnational outputs from previous projects to educate and empower local communities to effect positive behavioural change and inform decision makers to influence policy across climate change mitigation and adaptation and sustaining communities

Communicate the Message

- 1. Develop network**
- 2. Virtual Workshop & Webinars**
- 3. Knowledge sharing, collaborate**
- 4. Virtual Final Conference**

**Common Challenges of
fuel inequity, fossil fuel
dependence,
decarbonise**

**Result: Educate &
Empower rural
communities**
